2. As of this date, [REDACTED] put into effect a new reorganization. Part of this reorganization was the creation of a staff position of Coordinator for CI Material. This was done as it is our desire to reorganize the CI material currently available at [REDACTED]. As your request comes in at the time we are in the process of reorganizing our own material, it may be some time, possibly as much as six months, before we will be able to reply to the request contained in your memorandum.
